The Deputy Director of Central Intelligence

Washington, D.C. 20505

12 January 1987

MEMORANDUM FOR: National Foreign Intelligence Program Managers

SUBJECT: Low-Intensity Conflict Technology Report

1. I have received the attached report from the Chairman of the Intelligence Research and Development Council entitled "High-Technology Opportunities for Intelligence Technology for Low-Intensity Conflicts" along with proposed implementing recommendations. I think that some of the technology opportunities which are listed may offer us increased capabilities and, therefore, I would like to receive your comments on these proposed actions. [redacted]
